Alison Ramsay & Emma Riley **The Art Agency**

Alison and Emma founded The Art Agency to make contemporary art accessible to everyone. Since then, the gallery has become a significant player in the thriving art scene, providing a platform for emerging and recognised artists to showcase their

work, whether you're looking for colourful paintings, unusual sculptures, limited editions or beautiful glass artwork.

Alison and Emma are passionate and dedicated to redefining how

we experience and purchase art in the modern era. Each carefully chosen piece in the collection inspires and sparks creativity, making the buying experience unique and personal. "It's more than just a decoration; it's a connection to the artist's expression of human emotions, responses, and senses." The Art Agency is planning to relocate to Cobham this spring.
